

St Patrick School participates in Region 12, Division B

All 7th and 8th Graders are eligible to participate
2008/2009 was our first year and our *Reach for the Stars* team
"medaled" 3rd place!

Recognized as a model program by the National Governors Association Center for Best Practices in the 2007 report, *Innovation America: Building a Science, Technology, Engineering and Math Agenda*. Science Olympiad is committed to increasing global competitiveness for the next generation of scientists. Science Olympiad is a national non-profit organization dedicated to improving the quality of K-12 science education, increasing male, female and minority interest in science, creating a technologically literate workforce and providing recognition for outstanding achievement by students. These goals are achieved by participating in events at the regional, state, and national levels as well as incorporating Science Olympiad into classroom curriculum.
