Recess

Our plan for recess is to go outside on Wednesdays, so please make sure that you pack snow gear to keep your child warm and dry. Fridays we will have recess indoors in the gym, so you will not need to send the additional items. Thank you!

Can you believe it is a new year! This year is going so quickly! And who would have thought that it could be January and we would have so little snow! No complaints here☺ I hope this year continues to bring us many blessings.

What's Happening in Preschool ☺

Our focus letter this week was "n" and next week will be "o" I am so impressed with how everyone is doing with the zoophonics program ☺

Our current theme is Puppets and Me.

I sent home a letter Wednesday asking for old socks to make puppets with. Thank you for any donations you may have.

Our religious focus is telling the stories of Moses.

The school theme is "Prudence"
