What We Are Learning

Language Arts – Our letter next week is Mm. The word for the word ring is “funny”.

Math – We are counting by 5’s and 10’s to 100 with the kindergartners.

Religion – We had a visit from Father Ron and he talked to us about becoming priests and nuns.

Please send your children dressed for outdoor recess. They need to have boots, snow pants, hats, mittens and their coat. They will be going out for lunch recess most days. When we go home I will have the children wear their boots, hat and coat each day. If you want them to, they may leave their snow pants at school.
