

Mrs. Kevic
Teacher, 7th and 8th Grades

I feel very blessed to have the opportunity to join the staff at St. Patrick. My faith and profession have always been important aspects of how I define myself. Catholic school teaching is the perfect union of my love of God and of children.

I have been a teacher for sixteen years. I chose teaching as a career because of my own love of learning. I truly enjoy exploring new ideas and taking on new challenges. I am a graduate of California State University Long Beach where I earned a Bachelor's degree in liberal studies with a concentration in mathematics. I have a Master's degree in curriculum and instruction.

After moving to Michigan, I began substitute teaching. I worked in many different schools, but St. Patrick was the one place that gave me the feeling of being home. Now, I am really looking forward to working with the seventh and eighth graders on a daily basis.

Middle school is a wondrous time of growth and transition. Our seventh and eighth graders are preparing for the sacrament of Confirmation, as well as for graduation. The curriculum is designed to help them become independent, well-rounded, and faith-filled adults. I will do my best to encourage, motivate, assist, and guide them throughout the year.
